Civil Action No. 2:15-cv-2068

COMPLAINT FOR PATENT INFRINGEMENT

COMES NOW Plaintiff Whirlpool Corporation (“Whirlpool”), and for its Complaint for Patent Infringement of United States Patent No. 7,000,894 against Brauchla TV, Inc. d/b/a Brauchla TV & Appliance states as follows:

PARTIES

1. Plaintiff Whirlpool is a corporation organized and existing under the laws of the state of Delaware with a principal place of business at 2000 North M-63, Benton Harbor, Michigan.

2. Defendant Brauchla TV, Inc. (“Brauchla”) is a corporation organized and existing under the laws of the state of Indiana. It is assigned Control No. 198010-826 by the Indiana Secretary of State and has a principal place of business at 1800 West 8th Street, Anderson, Indiana.

JURISDICTION & VENUE

3. The action arises under the patent laws of the United States, Title 35 United States Code. The jurisdiction of this Court is proper under Title 35 U.S.C. § 271, *et seq.* and Title 28 U.S.C. §§ 1331, 1332, and 1338.

4. Brauchla is a seller of water filters for refrigerators.

5. Brauchla has offered for sale and sold throughout the United States Whirlpool-compatible replacement water filters that infringe United States Patent No. 7,000,894, such as water filters bearing Model No. RFC0800A, which is a Whirlpool “Filter 3” design, and Model No. RFC1700A, which is a Whirlpool “Filter 1” design. Brauchla has offered for sale and sold such infringing products through on-line retail outlets such as eBay.

6. Brauchla has offered for sale and sold Whirlpool-compatible refrigerator water filters that infringe U.S. Patent No. 7,000,894, such as Model Nos. RFC0800A and RFC1700A filters, to residents and citizens of Texas who reside within this district.

7. The Court has personal jurisdiction over Brauchla because it has advertised in Texas, including the Eastern District of Texas, the sale of infringing filters via the internet, and Brauchla has offered for sale and sold the infringing products to customers in the state of Texas, including the Eastern District of Texas, thereby harming Whirlpool by offering to sell and/or selling infringing products in this district.

8. Venue is proper in this district pursuant to Title 28 U.S.C. §§ 1391(b), 1391(c) and 1400(b) because Brauchla has committed acts of infringement in this judicial district.

COUNT I
Infringement of U.S. Patent No. 7,000,894

9. Whirlpool restates and incorporates by reference paragraphs 1 through 8 as if fully stated herein.

10. On February 21, 2006, the United States Patent and Trademark Office (“USPTO”) duly and legally issued United States Patent No. 7,000,894 (“the ‘894 patent”) entitled “Fluidic Cartridges and End Pieces Thereof.” On March 3, 2014, the USPTO issued an ex parte reexamination certificate for the ‘894 patent. Appended as Exhibit A is a true and correct copy of the ‘894 patent, inclusive of the ex parte reexamination certificate.

11. Whirlpool is the owner by assignment of the entire right, title and interest in and to the ‘894 patent, including the right to sue and recover past, present, and future damages for infringement.

12. Whirlpool manufactures products that practice the ‘894 patent, including Whirlpool “Filter 1” and “Filter 3” refrigerator water filters, and marks such products with the ‘894 patent.

13. Brauchla has been infringing the ‘894 patent by importing, offering for sale and selling water filters covered by at least claims 1 and 4 of the ‘894 patent.

14. Whirlpool has obtained water filters identified as Model Nos. RFC0800A and RFC1700A from Brauchla (hereinafter the “Infringing Filters”). Photographs that are fair and accurate representations of the Infringing Filters are appended as Exhibit B. The Infringing Filters infringe at least claims 1 and 4 of the ‘894 patent pursuant to Title 35, U.S.C. § 271(a), *et seq.*

15. Brauchla's offers for sale and sales of the Infringing Filters were without permission, authority, or license from Whirlpool. Further acts of infringement, unless enjoined by this Court, will continue to damage Whirlpool and cause irreparable harm to Whirlpool.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff Whirlpool respectfully requests the following relief:

- a. That the Court enter a judgment that Brauchla has infringed the '894 patent;
- b. That the Court enter a judgment that the '894 patent is not invalid;
- c. That the Court enter a judgment that the '894 patent is enforceable;
- d. That the Court enter a permanent injunction preventing Brauchla and its respective officers, directors, agents, servants, employees, attorneys, licensees, successors, and assigns, and those in active concert or participation with any of them, from engaging in infringing activities with respect to the '894 patent;
- e. That the Court award damages for the infringement to which Whirlpool is entitled;
- f. That the Court award interest on the damages; and
- g. For any and all such other relief as this Court may deem appropriate.

Dated: December 14, 2015

Respectfully submitted,

By: /s/ Melissa R. Smith
